June 18th

Early Bird Registration Deadline

2024 AABIP Abstract Submissions are Closed.

The **American Association for Bronchology and Interventional Pulmonology** (AABIP) is calling for scientific abstract

submission for its annual meeting to be held **August 22 to 24, 2024 in Charlotte, NC**. The premier conference for interventional pulmonologists, advanced bronchoscopists, pleural experts and other interested health care professionals aims to gather leading clinicians, scientists, and educators to exchange ideas and discuss research on all aspects of Interventional Pulmonology and Advanced Bronchoscopy. It also provides an ideal platform for all participants to present and discuss the latest technologies, research trends, as well as practice innovations to advance the field and better patient care.

Deadline to Submit Late-Breaking Abstracts: Monday, May 13th, 2024.

SELECTED ABSTRACTS:

*Will be invited to present in-person during our E-Poster Presentation

*Will be invited to present in-person in our AABIP Lightening Sessions

*Will be published in an online supplement of the Journal of Bronchology and Interventional Pulmonology

TOP ABSTRACTS:

*Receive FREE registration to the 2024 AABIP Annual Conference

*Will be invited to present in person at the TOP Abstract Session at the AABIP Annual Conference

General Submission Information:

Kindly review the submission instructions thoroughly to avoid the administrative withdrawal of your abstract. Ensure to provide a working email address for correspondence purposes. Please direct any inquiries or concerns

to AABIP_Abstracts@kenes.com and expect a response within 48 hours.

There are 3 submission types: **original research, case reports, procedure video reports.**

- **Original research** abstracts should include the following sections: Background, methods, results, and conclusions. They should not exceed 400 words (excluding title and affiliations).
- **Case reports** should include introduction, case description and conclusion. They should not exceed 300 words.
- **Procedure video reports** should include introduction, procedure description and conclusion. They should not exceed 300 words. Video submitted should be maximum 2 minutes long, preferable in HD (vimeo link, MP4, 1080) resolution. Video should be of high quality that is suitable for online publication. We strongly recommend adding descriptive captions to the videos submitted, as the videos will be played in a loop in the posters and exhibition area.
- Video upload instructions can be found [here](#).
- **Please indicate the topic category** that best fit your abstract:
 - Pleural Disease
 - Therapeutic Bronchoscopy
 - Diagnostic Bronchoscopy
 - Healthcare Transformation/Miscellaneous.
- **Cost of Submission:** Submitting an abstract/case report is free.
- **Registration and Accommodations:** **Presenting authors must register themselves by June 15, 2024 and attend the meeting in person** (NO virtual attendance options). Registration, travel, and hotel assistance will not be

provided unless contacted by the conference organizing committee.

- **Publication Rules:** Publication is contingent upon in-person presentation at the meeting. Presenting authors who have not accepted to present by the deadline provided in the invitation and have yet to reach out to us regarding any delay may have their submission(s) withdrawn from presentation and publication.
 - **Presentation Limits:** You may submit as many abstracts/case reports as you wish, but presenting authors will be limited to up to four (4) presentations.
 - **Patient Consent Policy** (for procedure videos): Though our submission portal does not have a field to upload a consent form, you should obtain the patient's consent and abide by HIPAA policies. If the patient can no longer sign for consent but previously gave it verbally, you can write a letter stating so and have it signed by whoever received it.
 - **Extensions Policy:** There will be no extensions to the submission deadline unless specified by the Program Organizing Committee.
-

Evaluation

- Abstract submissions will be reviewed by the Abstracts Review Committee for acceptance.
- Abstract acceptance notifications will be sent to authors by email within 45 days after the submission deadline.
- The top abstracts will be accepted for podium presentation and presenters will receive a research award from the AABIP.

Selected Abstracts

Selected abstracts will be displayed as a digital poster and **presented in-person** during the 2024 AABIP Annual Conference to be held **August 22 to 24, 2024 in Charlotte, NC**. Selected abstracts will also be published as an online supplement in the *Journal of Bronchology and Interventional Pulmonology* (JOBIP). Abstract presenter(s) must be registered to attend the AABIP 2024 Annual Conference by June 15, 2024. More information to follow.**General Submission Information:**

Kindly review the submission instructions thoroughly to avoid the administrative withdrawal of your abstract. Ensure to provide a working email address for correspondence purposes. Please direct any inquiries or concerns to AABIP_Abstracts@kenes.com and expect a response within 48 hours.

There are 3 submission types: **original research, case reports, procedure video reports.**

 - Diagnostic Bronchoscopy
 - Healthcare Transformation/Miscellaneous.
- **Membership Requirements:** You do not need to be an AABIP member to submit your scientific work, but you must **create a AABIP account and enter your unique member ID** to your submission. Please click [here](#) to create your account.
- **Cost of Submission:** Submitting an abstract/case report is free.
- **Registration and Accommodations:** **Presenting authors must register themselves and attend the meeting in person** (NO virtual attendance options). Registration, travel, and hotel assistance will not be provided unless contacted by the conference organizing committee.
- **Publication Rules:** Publication is contingent upon in-person presentation at the meeting. Presenting authors who have not accepted to present by the deadline provided in the invitation and have yet to reach out to us regarding any delay may have their submission(s) withdrawn from presentation and publication. **Accepted submissions for AABIP 2024 cannot be published elsewhere before August 31, 2024.**
- **Presentation Limits:** You may submit as many abstracts/case reports as you wish, but presenting authors will be limited to up to four (4) presentations.
- **Patient Consent Policy** (for case report or procedure videos): Though our submission portal does not have a field to upload a consent form, you should obtain the

patient's consent and abide by HIPAA policies. If the patient can no longer sign for consent but previously gave it verbally, you can write a letter stating so and have it signed by whoever received it.

Extensions Policy: There will be no extensions to the submission deadline unless specified by the Program Organizing Committee.

Authors Instructions:

- **Ensure all authors have an existing AABIP account:**
 - Search first; avoid adding a new person unless necessary.
 - Spell check when searching or adding a new person.
 - Enter names as "first name (given name)" and "last name (surname)."
 - Personal emails are preferred as they do not change often or tend to filter our emails to spam.
- **Conflict of Interest (COI):** The submitting author must disclose of all COI or otherwise state that they have no COI before creating their first submission. This disclosure will be transferred to all submissions linked to the submitter.
- **Content Permission:** The submitting author will attest that all co-authors have granted consent for the material to be submitted for presentation and that the submitting author has been given the right by all co-authors to act on their behalf.
- **Author/Co-author Acknowledgment:** I hereby acknowledge and agree to have my information included in the AABIP database.
- **No Duplicate Submissions:** A submission may only be submitted once; the submission may not be submitted under multiple submission categories.
- **Language:** All submissions must be submitted in English.
- **Incomplete data:** No submission will be considered with

deferred outcome data. If data are to be presented, they must appear in the original abstract submitted.

Automated COI emails will be sent to all co-authors after submitting; ensure all co-authors received and completed it before presentation.

It is not possible to add co-authors after the submission deadline.

Accepted abstracts will submit a virtual poster in pdf format for the AABIP Annual Conference.

All accepted abstracts will be presented in e-poster format.

Procedural Video submissions will be presented in electronic format throughout the conference.

Accepted abstracts will be published in an online supplement of the Journal of Bronchology and Interventional Pulmonology. Abstracts exceeding the word limit or formatted differently than as detailed above will be rejected. No more than 2 images and 1 table should be submitted.

Evaluation

- Abstract submissions will be reviewed by the Abstracts Review Committee for acceptance.
- Abstract acceptance notifications will be sent to authors by email within 30 days after the submission deadline.
- The top three abstracts will be accepted for podium presentation and presenters will also receive Top Abstract Award from the AABIP.
