

Ask the Expert

Customized Learning Experience: Engage with experts at AABIP 2024's 'Ask the Expert' sessions, for tailored insights and interactive discussions!

ASK THE EXPERT

These are highly interactive, small group (15 or less) sessions designed to facilitate close interaction between attendees and a respected expert in the field. Attendees can submit HIPAA-compliant case scenarios and questions beforehand for discussion. The expert also shares personal experiences and examples not typically covered in larger, more formal presentations.

7:45 AM – 8:45 AM

Ask the expert! How do I negotiate with hospital administration for my dream program – lessons learned from decades of experience

Learn strategies to negotiate effectively with hospital administration for your dream program. Gain insights from decades of expert experience as well as discuss possible solutions to pre-submitted real-life scenarios in this engaging session.
