

# **CME Information**

## **7th AABIP Annual Conference 22-24 August 2024; Charlotte, USA**

**Jointly provided by Partners for Advancing Clinical Education (PACE) and the American Association for Bronchology and Interventional Pulmonology**

### **Target Audience**

This activity is intended for interventional Pulmonologists, Advanced Diagnostic Bronchoscopists, Critical Care specialists, Thoracic Surgeons, Advanced Practice Providers, and Trainees who care for patients with bronchology and interventional pulmonology diseases.

### **Educational Objectives**

Upon completion of this activity, participants should be able to:

- Address individual needs in compliance with their Continuous Professional Development (CPD) plan.
- Discuss current trends in thoracic disease management to enhance patient treatment protocols.
- Analyze controversies in chronic obstructive airway disease treatment to apply the most effective approaches.
- Describe advances in guided bronchoscopy to improve precision in clinical interventions.
- Demonstrate the application of updated anesthetic techniques in interventional pulmonology for enhanced patient safety.
- Discuss the latest therapeutic options for early

endobronchial tumors in clinical practice.

## Faculty and Disclosure of Conflicts of Interest

PACE requires planners, faculty, and others who are in a position to control the content of this activity to disclose all financial relationships they may have with ineligible companies. All relevant financial relationships are thoroughly vetted and mitigated according to PACE policy. PACE is committed to providing learners with high-quality accredited CE activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of an ineligible company.

## Fee Information

Fee information can be found [here](#).

## Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Partners for Advancing Clinical Education (PACE) and American Association for Bronchology and Interventional Pulmonology. PACE is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

# Physician Continuing Education

PACE designates this live activity for a maximum of **17.5 AMA PRA Category 1 Credit(s)<sup>™</sup>**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*22/08/2024 – 6.5 AMA PRA Category 1 Credit(s)<sup>™</sup>*

*23/08/2024– 5.5 AMA PRA Category 1 Credit(s)<sup>™</sup>*

*24/08/2024– 5.5 AMA PRA Category 1 Credit(s)<sup>™</sup>*

## American Board of Internal Medicine Maintenance of Certification

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **17.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program**. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

To receive CME credit and/or MOC points, you **MUST** pass the posttest and complete the evaluation. For ABIM MOC points, your information will be shared with the ABIM through PACE's Joint Accreditation Program and Activity Reporting System (JAPARS). Please allow 6-8 weeks for your MOC points to appear on your ABIM records. By **sharing your Diplomate Board ID # and DOB**, you are giving PACE permission to use this information/data to report your participation to these Boards JA-PARS.

# Instructions for Credit

To receive CE credit, please follow these steps:

1. Enter your profile information or create a new account [HERE](#)
2. Visit the AABIP 2024 online evaluation [HERE](#)
3. Choose the type of credit you want to receive (AMA or AMA/MOC\*)
4. Complete the activity evaluation.
5. Upon completion of all evaluation questions, your credit will be made available for download immediately.

\* to receive MOC credit you will be asked to provide a “**Diplomate ID**” which is the physician’s ABIM Board ID. ABIM ID lookup <https://www.abim.org/verify-physician/>

For any questions or concerns, please contact us at: [education@kenes.com](mailto:education@kenes.com)

## Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

## Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of

diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. In support of improving patient care, this activity has been planned and implemented by Partners for Advancing Clinical Education (PACE) and Kenes Education. PACE is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## **Commitment to the Highest Standards in CME/CPD**

Kenes Group is committed to being a valuable and knowledgeable partner in the design and delivery of educationally strong, independent, transparent, and effective CME/CPD programmes. Kenes is a proud member of the [Good CME Practice Group \(gCMEp\)](#), a member organisation contributing to improving health outcomes by:

- Championing best practice in CME/CPD
- Maintaining and improving standards
- Mentoring and educating
- Working in collaboration with critical stakeholders
