

INSTRUCTIONS FOR VIDEO PRESENTERS

Procedural Video Report presentations

Reels to remember:

- You will have 10 minutes to present your Procedural Video Report. (8 minutes to present and 2 minutes for QA and discussion).
- Upload any slides you have in the speakers' ready room up to 2 hours before your presentation time.

Top Video Abstract Award:

- You will have 10-13 minutes to present your Procedural Video Report.
- Upload any slides you have in the speakers' ready room up to 2 hours before your presentation time.

e-Video Presentations

How long: Rapid e-video Presentations are 6-minute presentations (3 minutes to display surgical video and 3 minutes for QA and Discussion).

Where: e-Video presentations will take place in front of the e-Poster stations in the Exhibit Hall. ***Please arrive at the e-Poster station 15 minutes prior to the start of the session.***

How: Presenters will present from their previously uploaded procedural video report. The e-Video will be displayed, by our IT technicians, at the e-Poster station at the time of your presentation.

**If you or another of your co-authors will not be able to attend the meeting in person, please contact us urgently at aabip_abstracts@kenes.com. Featured e-video presentations are scheduled to take place only live onsite, if you are unable to travel to Charlotte, your presentation type will be changed to an on-demand presentation in the online poster gallery with no designated presentation slot.*

****Please note that while unlikely, session times may change. For the most updated details, please always check the interactive program and closer to the meeting – the mobile application.*
